ANNOUNCEMENT

This is our 38th Semi-Annual Sale. Our association has been active for some twenty years. The crowd that gathers at our sales indicates the interest in Shorthorn cattle, and also on the class of the offerings.

We try to include a balanced offering and cattle of such breeding and merit that will do well, both for the buyer and seller.

Each year some of our members are buying new herd bulls. These bulls come from the most popular blood lines of the breed, and are among the top selling bulls of the breed. Almost without exception cattle purchased in our sales prove to be money makers for the buyers, so much so, that repeat buyers absorb a large part of our offerings.

Note the sale day is changed from Monday to Saturday. This is done in order that junior members may attend the sale and the same change will be made for our fall sale.

There will be a show the morning of the sale, starting at 10:00 a.m. Come in time to see the show and compare the cattle. It will be interesting.

Shorthorn cattle are not too plentiful, but are in demand. This week I have had two inquiries for commercial heifers, one man wants fifteen and another thirty that will do to breed the coming summer.

We urge you to attend the sale. You will find thirty good young bulls listed, over half of which were calved in 1961, good ages to take home and turn out. Among the females are four excellent open heifers. There are eight cows that will have calves at foot and some of them rebred and there are twenty females carrying long service dates to some very good sires.

We want everybody interested in good cattle to attend the sale.

Dale Bellows, Sales Manager

GENERAL INFORMATION

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Saturday, March 16, 1963. Show at 10:00 a.m. Sale at 12:30 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.

SHOW

There will be a show at 10:00 a.m., judged by Gordon Philip, Manager of the Kansas City Shorthorn Farm, Kansas City, Missouri. There will be three classes of bulls and three classes of females. The show is under the auspices of the State Board of Agriculture, and they require that 75% of the animals must be shown.
